Play Cafe funding boost, Cans for Campus, Sensory Garden and more!

“Campus Kids” Play Cafe

The “Campus Kids” Play Cafe continues to grow thanks to grants from both the Premier’s Community Initiative Fund and the Inger Rice Foundation. Together these grants are contributing to the purchase of a range of exciting new play equipment for kids to use and learn from when they visit the Play Cafe. These include new puzzles, ride-on toys, building blocks and hand puppets.

The “Campus Kids” Play Cafe is open in the Geoff Simpson Hall **every Tuesday and Friday from 9.30am to 1.30pm** (during school terms). Play Group is also held at the Friday sessions with parent support available. Mother’s groups very welcome. Come and enjoy a great coffee with a muffin or scone while the kids play.

Campus Library Facelift

Following the creation of a new logo for the Campus Library (by Kristy Baldock), the library has also branded itself with new look front signage and window motifs.

Thanks to Shane Croxton at NRG Advertising for the overall design. Shane’s team also designed the large sign at the entrance to Campus.

“Cans for Campus”

Since the issuing of calico recycling bags to students, and the establishment of the sub-depot in the sustainability area, Campus has also managed to attract a “Go Green” grant from Corporate Express to purchase colourful recycling wheelie bins for each classroom. These bins will better enable student monitors to take the collected cans and plastic bottles to the sub-depot, ready for their trip to the local depot to collect the deposits.

“Cans for Campus”

So keep collecting your empty aluminium cans and plastic bottles at home, put them in the calico bags and bring them to school.

We also especially need empty 2 litre plastic bottles for the construction of the Campus Green Wall, which will grow a variety of plants vertically in the sustainability garden.

Last year we only collected 9,900. So this year will be even better. Keep the sticker sheets coming in until **August 12th**. If you need more sheets for your stickers, ask at your school's front office. Campus was also one of only 100 schools Australia-wide to win a \$1000 Woolworths gift voucher as part of the Earn & Learn promotion.

Campus Sensory Garden Walk

Proposed area
for the Sensory
Garden Walk

Late last year Campus was funded to establish a Sensory Garden Walk in the terraced area between Nativity and the PAC. The garden will soon be planted with a range of pre-settlement flowers, shrubs and ground covers which students can wander through to enjoy the full sensory experience of smell, sight & sound. Or just pause to reflect.

Important Dates

Don't forget that all three schools will be closed for the Adelaide Show Day on Monday **10th September**.

Places are also available for Mark Le Messurier at 7pm on Wednesday **29 August** and **17 October**. Creche available.
