## Campus Anzac Memorial

Thursday 9th April saw the **Anzac Memorial Dedication Ceremony** at Campus. Guests included the Federal Senator for Veteran Affairs, Hon. Michael Ronaldson, Hon. Dr. Andrew Southcott- member for Boothby, Nat Cook- member for Fisher, Mayor Lorraine Rosenberg, Frank Blamey- Blackwood RSL, Fr Charles of Nativity Parish, Rev. Dr. Jonathan Davies of Seeds Uniting, Lyn Such & other VIP guests, service men & women and family members of Campus students. In a simultaneous ceremony at two sites, all Campus students and staff filled the main courtyard to hear speeches from dignitaries and observe a minutes silence. At the memorial site, the monument received an official church blessing and Senator Ronaldson cut the ribbon. Wreaths were laid at both sites as the bugler played the Last Post before the guests returned to the main courtyard to hear the Campus students all sing the "Last Anzac" song, accompanied by the Campus band. Thanks to all who attended, making this a very special Campus event.

Campus Courtyard

Thanks also to Nalty Memorials who created the plinth and plaque & Steve Johns from Tradescape Australia for building the paving, flagpole & landscaping the entire area.

Memorial Site

The Campus Memorial was made possible via a grant obtained as part of the Australian Government's Centenary of Anzac Local Grants Program. Each Federal Electorate was allocated an amount to share between selected grant applicants and Campus successfully attracted \$8,310 to erect the monument on the former site of the dental clinic. After a nervous wait, Campus was only notified in January 2015 that we had been successful. As the memorial sits outside the Campus gates, this site can be used by the general community, as well as serving Campus for future commemorations.

## Photo Orders

If your family has ordered, or wishes to order, a photo from the Anzac Memorial Dedication day, please fill out the order form at your school's front office. There are proofs available to view, with group photos at both the courtyard and memorial sites. There is also a "whole of Campus" group photo available. Students from all three schools and staff are present in this magnificent commemorative shot.

### For Hire

Several of the facilities at Campus are available for short term hire to community groups and businesses, for a variety of purposes, all at very reasonable rates.

The Performing Arts Centre is available at only \$220 per half day (out of school hours) and boasts a stage, 250 seat auditorium, kitchen and full A/V set up if required.

The Geoff Simpson Hall (aka OSHC) is also available to hire at an hourly rate of \$22. It is available on most weekends.

The Bunnings BBQ in late February raised \$1564 for Campus. Thanks to all of the volunteers who helped out on the day. The last twilight Treasure Market at Campus also raised just over \$400 and this year's total so far from the recycling deposit scheme is up to \$300. Money from this scheme goes directly to the Campus Sustainability program. Keep the cans and bottles coming, but note that wine bottles, milk cartons and tin cans are not part of the scheme.
