Campus Green Day

The 2015 Campus Green Day saw a wealth of activities based on sustainability, healthy eating, gardening, environmental issues and general cleaning up of the Campus grounds. All three school's students enjoyed the fun of this Green Day.

Walkathon

As part of this year's Green Day, the Campus held a Walkathon, in which students sought sponsorships for their efforts in completing a short course outside of the Campus. R-3 students walked around the Campus perimeter, while year 4-7 students went a bit further with a course that spanned a little over a kilometer. Some students even completed ten or more laps! It was a great fun exercise and money raised will assist sustainability initiatives across Campus. Please remember to return your sponsorship money to your school by **Friday 19th June**. Great effort to all who walked, jogged, ran (even wheel-chaired) and raised money for the Campus.

Photo Comp Winners

The winners of the "Sounds of Nature" Photo competition have been announced. They are:- Yr R-2 Category - Evie B (P41 Pilgrim), Yr 3-5 Category - Delanee E (T10 Thiele) & Yr 6-7 Category - Jessie K-V (T13 Thiele). Congrats!
