National Walk to School Safely Week

On Friday the 20th of May, Miss Curyer's Year 1/2 class from Thiele participated in National Walk Safely to School Day. Walk Safely to School Day asks us to take a look at our transport habits and how we can incorporate more walking into our daily lives as part of a healthy, active lifestyle. It is also an important opportunity to teach children safe ways to behave around roads and traffic. We met out the front of the Aberfoyle Park Campus Preschool on Budapest Road bright and early and walked up and around the outside of Campus. We entered school from the Campus Office entrance. We had a great morning and it was fantastic to see parents and younger/older siblings participate in the event!

Aberfoyle Park Campus Preschool

DID YOU KNOW?

Now is the time to enrol your child for kindergarten if they were born between 1/5/12 & 30/4/13.

The Aberfoyle Park Campus Preschool (on site with the Campus Schools) still has a few spaces for 2017.

If you have a child who is eligible to start or know of someone with a child, now is the time to pop in and pick up an enrolment form.

For further queries please call the kindergarten on 8270 3136 or pop in to the kindergarten: 11 Budapest Road Aberfoyle Park.

Looking for Ideas and Products to make a Litter Free Lunch?

Campus will be delivering an information session to give parents and carers some ideas and show you some products that can be used to make your litter free lunches. So watch this space and look out for a notice in your child's bag early Term 3. It's likely to be a Tuesday evening early Term 3.

Campus Fair Feedback

Thank you to everyone who has taken the time to give the Events Committee their feedback for the 2016 Campus Fair. There were some great input from parents, staff and general public to give us ideas on how the Fair or a similar event can be improved in future. Listed below are some of the responses we received:

1) How would you rate your experience?

Comments:

- There were several aspects that were very well organised and thought through. I felt like there were not many people here and the overall atmosphere felt a bit 'empty'/'low'
- I thought the event ran very well. I think the issue of volunteers means we should change the style and format of the Fair. I would like to see a celebration day for \Campus with the students involved in a number of events to showcase their talents to parents. Food and wine and entertainment can be a part of the day to enhance the community aspect of the Fair
- The Campus fair was an enjoyable day with a nice community atmosphere.

Poor	10

2) What do you think is the main purpose of the Campus Fair? Some fundraising ideas:

- Car wash
- Movie night
- Walkathon
- Car boot sale
- Ladies Night
- Experiences
- Fun run

Answer Choices	Responses

Fundraising	37
Both	45
Total	91

3) What future improvements would you like to see?

- Maybe in a more compact location e.g. just middle oval, gym & surrounds, cola & surrounds. Has it run its time? Lost its momentum due to now being biennially? Could a fundraising levy replace it? Or just do a really huge silent auction/raffle and concentrate on getting great items cheap or donated for this?
- More stalls, more things to do, maybe each class having their own stall, I feel like this way we get a lot more involvement of parents and just overall attendance by children and the public.
- Try something new! And for 3 schools and a kindy there should be A LOT more going on! I've been to one campus school fair and they are huge in comparison.

SA Catholic Primary Schools Athletics

Congratulations to all our athletes who competed in the Catholic Schools athletic carnival on Wednesday 15 June. Nativity won the U11 girls age championship school as well as the Percentage School Pennant and Sammy P won the U11 girls age championship individual award. Well done to everyone who competed.

Do you have a strategy for your finance?

What are we teaching our children?

As a mother of 3 children, I understand it is so important to have our finances in order and building wealth. Leading by example, we show our children what can be achieved!

Together, with the right mindset, we can achieve beyond our current paths. What are the potential futures waiting for our children? Let me show you at your 30-minute appointment – complimentary as part of school initiative Helping Families to a Better Future.
