Campus Green Day Walkathon 2016

After a few failed attempts at Green Day 2016, each school decided to choose a

date that is convenient to undertake the Walkathon. Thiele and Nativity students participated in late Term 2 and raised \$1,389.75. Pilgrim will have the event later in the year.

The monies raised will be used to make some improvements to the Sustainability Garden. Watch this

space as developments will soon start with the assistance from the volunteers from the Community Garden.

School of Nativity

Congratulations to Aiden M (left) & Lachlan H who played on Adelaide Oval, competing in and winning the Premier Cup. In winning the cup they are part of the premier 6/7 school football team in SA!

Pedal Prix News

The brand new Cat 2 trike, Evolution, was raced for the very first time in July and performed superbly. It was an eye-catcher around the track. Our two Old Scholars Teams performances were even more noteworthy because Evolution only had 4 riders for the 6 hours and Wasp only had 5!! That's a lot of pedalling by not all that many sets of legs and shows how strong and how much improved all riders are since race 1 just 6 short weeks ago! The anticipation of what they can achieve as a united team is creating great excitement! The Cat is also had a "new" trike, with the original Evolution now rebadged as Rocket, but all riders have noted how much better it is to ride. All 11 riders performed incredibly well, with many achieving PB's on the day. Everything is shaping up for a truly awesome MB24 race, where we will all race together for the first time this season. Can't wait!

Thiele Primary School

Congratulations to Ashlee Shields, a Year 6 student who has been selected to be part of the South Australia 12 and Under Interstate SAPSASA tennis team! Go Ashlee, we are proud of your achievements.

Minister's Visit

Two weeks ago, we were fortunate to have a visit to our Campus from Tanya Plibersek, the Federal Shadow Education Minister. She was accompanied by various union representatives and members of the media. The purpose of her visit was to look at our Campus and to find out about Gonski funding, its benefits and how we have used it. Thank you goes to Danni Gericke's Year 5/6 class (Thiele) for showcasing what we do in class.

Part of the visit included a meeting with leaders and community members where a number of educational issues were raised. Pam Kent (President, South Australian Primary Principals Association and Howard Spreadbury (President, Australia Education Union SA Branch) were also in attendance.

The outcome of the visit will hopefully lead to a greater understanding and commitment to increased Federal funding to SA schools.

In Week 5, we will be welcoming the Honourable Dr Susan Close, MP, Minister for Education and Child Development to the Campus for a visit. Dr Close will be spending time visiting all three schools on Campus and meeting with school students and staff.
