Book Prize for Campus Library

With the Premier's Reading Challenge nearly at an end, books are rapidly being read to complete the list. One popular book, lately being read by James W of Thiele, is 'Ocean without End', the first book of the Swashbuckler Trilogy by Kelly Gardiner. A pirate story, with lots of detail about sailing ships and the island of Malta, it ends with an exciting cliff-hanger. But where were books 2 and 3 of the trilogy? They were both unavailable at the school and Hub libraries. James' mum, Lois W, went online to find out about them.

An email to the author's website produced a helpful reply, with a promise to contact the publisher to encourage them to have the PRC books available. The author, Kelly Gardiner, asked about our schools, and Lois talked up our Campus and how our schools share the library and wonderful staff there.

Imagine Lois' surprise when Kelly replied that she was sending a set of the books to our library so that all our students could enjoy the whole Swashbuckler series. The books arrived this week with an accompanying letter, promising James Watson first borrowing rights!

Sport Sensations!

It was a beautiful spring day for Nativity Year 4 - 7 students to be out in the sunshine enjoying themselves at the Catholic Schools Touch Footy Carnival in the parklands. Everyone played well and had a great day.

The Thiele Girls SAPSASA Soccer team did the school proud on Wednesday 7th September, playing against Clapham Primary School and winning the game, hence heading to the Grand Finals. It was a nail biting game!. Well done ladies. Thanks to Ms Chris Gent for coaching the girls to victory! The Grand Final will held on Thursday 29th September (12 noon) at Campbelltown Soccer Club, Newton.

On Wednesday 24th August, 48 students from all three schools competed in the annual combined Southern Heights/City South SAPSASA District Athletics Carnival that was held at SA Athletics Stadium, Mile End. The weather on the day was fantastic and all of the students did well for Campus and their individual schools. Many of the students won themselves ribbons which indicated that they finished in the top 4 of the Southern Heights District. From this event, the Southern Heights Team was selected. The following students that were selected from the Campus are Sammy-Lee P (Nativity), Georgia O (Thiele), Charné T (Thiele), Josh S (Thiele) and Jake P (Thiele).

They will compete on Tuesday 27th September at the South Australian Primary Schools Amateur Sporting Association's (SAPSASA) Metro Day. On Monday 26th September, students from Country schools will compete. From these two days, a South Australian Team will be selected to compete later in the year in the Schools Sport Australian Championship being held in Sydney.

The staff who assisted on the day were Chris Gent (overall coordinator), Megan Loffler, Joel Overweel, Ben Searle (for Campus) and Narelle Day.

Performing Arts Showcase 2016

Another successful Performing Arts Showcase by our Campus students was held on 18th August. DVD will be available for order in Term 4.

Do you have a strategy for your finance?

What are we teaching our children?

As a mother of 3 children, I understand it is so important to have our finances in order and building wealth. Leading by example, we show our children what can be achieved!

Together, with the right mindset, we can achieve beyond our current paths. What are the potential futures waiting for our children? Let me show you at your 30-minute appointment – complimentary as part of school initiative Helping Families to a Better Future.
